

ELIM FAMILY FESTIVAL KIT LIST

The following is a suggested list of things that you might find useful to bring with you.

Kit should include a sleeping bag, with an extra blanket (it can become quite cold at night), airbed, and a pillow.

Clothing including nightwear, T-shirts, shorts, jeans, trainer-type shoes for games, swimwear including a towel, jumpers and warm clothing for the cool evenings.

Plastic crockery for meals (inc. large plate, bowl, knife, fork, spoon & mug). You will need your own tea-towel to dry your crockery. We do not supply these.

It is **ESSENTIAL** to bring a waterproof jacket, coat and strong shoes for wet weather.

A washing kit should also be brought, including towel, toothbrush, toothpaste, flannel, shampoo and soap.

A torch is essential for the evenings.

You may find a Bible, a pen/pencil and notebook really useful.

If the weather is sunny then please make sure that you bring sun cream with you (parent/supervising adult please make sure your children are provided with this) to protect against sunburn.

This list is only intended as a guide and a reminder. Inclusion or exclusion of some items will be at your discretion.
